

## **Wamplers Plant Tour**

**When:** September 16, 2010 @ 12:30 pm

**Where:** Wamplers Farm Sausage Co. (see address below).

September is already upon us. SME & APICS has scheduled a tour of Wamplers Farm Sausage Co. in Lenoir City. This tour will hopefully give a sight of a new solar installation that Wampler's has just completed. If you have never toured a facility like this please take the opportunity to sign up.

I encourage everyone to attend and bring a friend. As always please adhere to basic safety requirements when we tour host facilities.

Business casual (No shorts/ Open toe Shoes/ Safety glasses). Blue jeans are fine.

Thanks, and look forward to see everyone there.

**Address:**
